THE BLUE BOOK

Presented as an aid to the new men and as a common reference book.

Editor-in-Chief, (1931-32), G. C. Cushman, '31; Business Manager, C. S. Woolsey, '32.

TO THE BOYS

Phillips Academy welcomes you to a school as old as the Nation it serves and unsurpassed in its history and the wealth of its traditions. The last act of The Great and General Court, before that distinguished body was merged in the State government, was that which incorporated the school and gave it the rare distinction of being the first incorporated institution of its kind in the land. Because of his personal friendship with the founder and his belief in its ideals, President Washington became one of its first patrons and sent to it from far away Virginia seven of his nephews and grand-nephews. Later it was visited by him and General Lafayette in person. From those early days down to the present time Phillips Academy has held true to the broadly American ideals of its founders, welcoming to its opportunities and privileges boys from every quarter of the United States and from foreign lands, rich and poor alike, and demanding only that they prove themselves worthy of their rich heritage.

The fame which Phillips Academy so justly enjoys today has been made possible and has been constantly enhanced by those who, as pupils, teachers, ad-

ministrators, and benefactors, have served it with unselfish devotion. It is now your privilege not only to enjoy what has been made possible for you by the labors and sacrifices of those who have gone before but to add to the lustre and increase the renown of an institution that demands of you that you shall give it your best by devotion to the tasks assigned you, by cheerful obedience to such regulations as are deemed necessary for the common welfare, by living clean and playing fair, and by striving to uphold those ideals of conduct and character that have meant so much to thousands of old Phillips boys who now hand them on to you.

—*Alfred E. Stearns*

INQUIRY RECEPTION

The first gathering of the year is the annual reception held by the Society of Inquiry for all new men the first Sunday night after the opening of school. Speeches are made by heads of the different campus activities: publications, music, etc. Not only do the men acquire a firmer knowledge of all the extra-curriculum pursuits, but they also receive the opportunity of meeting and talking with the school leaders. Refreshments are served.

ADVICE

At Andover you are thrown more or less on your own resources. What you get out of your training at the Academy, whether in athletics or in studies, will be determined by what you put into it. You will be sure to meet discouragement in some form or other; but do not let this get the better of you. Play the game hard and square. Sticking to it and working unceasingly with all that is in you is the shortest path to success at Andover, as well as elsewhere.

Remember that you are now an Andover man. Henceforth you are responsible for the reputation of the school.

* * *

Study is first at Andover; other things come afterwards. Athletes who do not study disappear.

Take an active part in the life of the school. Athletics and activities are open to you. Andover is more than a machine that turns out students; it is a place of development of all that makes a man.

If you play any musical instrument or like to sing, join the musical clubs. A place will be found for you there.

Students are given opportunities to show their literary abilities by the fre-

quent contests held throughout the year for election to the several publications. If you can do anything in this line, or think you can, do not hesitate to take it up. The benefit derived from such training is considerable.

Choose at once some school activity and persevere in it until you succeed. Andover's most famous writers and athletes began this way.

Do not sit back and criticize activities of which you know nothing. Go in and improve them if you can.

* * *

The school rules and regulations have been distributed to you. Acquaint yourself with them. Do not violate them. The price is usually too great.

The Senior Council is composed of the leading men in school. Heed their advice on all matters relating to school discipline.

Consult your Faculty adviser on any subject. He is your friend.

Do not try to bluff the Faculty. They have had boys just like you before and they were once boys themselves. Work with them, not against them.

* * *

We are rivals of Exeter in the cheering stands as well as on the athletic

field. Follow and obey the cheer leaders.

Be a good sportsman and cheer good plays. Never cheer the error of an opponent.

* * *

Finally, you are at all times an Andover man—which means governed by Andover ideals—on the train, in Boston, and in your home town during vacation. The school is judged by you—what you do and what you are. The responsibility is not to be taken lightly.

SCHOLARSHIP

Honor Roll

Any student having no grade lower than 82% and a grade of at least 92% in half the number of his hours is placed on the First Honor Roll. Any one with an average of 85% in all his subjects and no grade lower than 72% stands on the Second Honor Roll. Extra time at the end of the holidays is granted to men who are on either of the Honor Rolls.

The Cum Laude Society

Corresponding to the Phi Beta Kappa Society in colleges is the preparatory school organization known as the Cum

Laude Society. Its aim is to bestow recognition of high scholarship throughout the secondary schools of the country. The Society was founded at the Tome school in 1904, and has gradually been enlarged until now many of the large preparatory schools have their own chapters.

The requirements for election are, in general, honor grades, these grades being determined by each individual school. In Andover a student may be elected after satisfying one of two sets of conditions. A student who at the end of the Spring term of his Senior year has a general average of 85% covering the year's work, who has an average of C in each individual subject, and who has had no rating mark lower than a D, is elected to the Society. Also at the end of the Fall term of a student's Senior year he is elected to this Society if he has maintained the above standard through his entire Upper Middle year and the Fall term of his Senior year. Formal initiation takes place at the Commencement Exercises.

Prizes

As an incentive to hard and persistent scholastic work many rewards

are offered by the Academy. Three different types of reward which are offered are: (1) extra days at the end of vacation for being on the Honor Roll; (2) prizes given out at the end of the year for proficiency in individual subjects; (3) prizes, trophies, and scholarships presented at the end of the year on a variety of bases for such things as improvement, versatility, attendance, and character.

It is advisable to look up at once a detailed description of the awards as contained in the Academy Catalogue, and to keep them constantly in mind.

Special attention is called to the Hopkins Prize, the Sullivan Scholarship, the Fuller and Otis Prizes, and the Yale Cup.

ATHLETICS

The Athletic Council

The Athletic Council is made up of the Captains and Managers of all the branches of athletics in school, the Undergraduate Treasurer, and the Physical Director. Its powers are purely advisory; it has no legislative or executive power.

The Advisory Board

The Advisory Board is composed of

the captains and managers of major sports, the Undergraduate Treasurer, and the Physical Director. The Advisory Board has the power of appointing cheer leaders and the police force. It also has the direction of all major sports.

Undergraduate Treasurer

The office of Undergraduate Treasurer is held by a Senior or a Non-Returning Upper Middler. He is appointed by the Advisory Board. The duties of this officer are to act as secretary of the Advisory Board and the Athletic Council, and to be general supervisor of all matters pertaining to Varsity athletics.

Insignia

In an early issue of *The Phillipian* during the Fall term there will appear a complete table of all insignia awarded by the school.

Gym Test

Twice during each term the Physical Director requires each member of the student body to take a gym test. There are five events in the test: the half-mile run, the 100-yd. swim, the high jump (4 ft. 3 in.), the pole climb (18 ft.), and the thigh flexion (12). The test is marked on a basis of 100%, each event counting 20%. Anyone securing less than 70% in the fall term tests is obliged to join a special gym class and is barred from further athletics during the winter and spring terms, until a passing grade has been obtained. It is also necessary to score in each event to attain the required percentage. Anyone obtaining a mark of 100% is automatically exempted from taking further tests at any time.

Intra-Mural Athletics

The entire student body is divided into four clubs: the Romans, Saxons, Greeks, and Gauls. At the beginning of each year the returning members meet and elect officers, who in turn divide up the new men. Compulsory athletic practice for men not on varsity squads is held by clubs, and regular contests take place between them in each sport.

Numerals

Class numerals are awarded to all members of winning club teams. The winners in the three major sports obtain the regular numerals, while the winners in each minor sport receive the numerals with the letters standing for that sport between the 19 and the rest of the numeral. Thus 19 ST 30 is the insignia for a member of the winning swimming squad who belongs to the Class of 1930.

The same major and minor sport numerals are awarded to all members of varsity squads who remain on the squads through the entire season. Track is an exception: to earn numerals it is required to do in a numeral meet certain specified times or distances in a special event.

Boxing and Wrestling

Boxing and wrestling instruction is given throughout the Winter term, and club teams are formed. The rate for each is \$15.

Life Saving

Early in the Spring term a course of about two weeks is given, under the direction of a Red Cross instructor, in

life saving and resuscitation. The first part of the period is devoted to instruction, while the latter part is filled with tests, the pupils being graded by student instructors. All those who pass these tests are awarded a pin and the felt insignia to be worn on their bathing suits.

Riding

Riding may be taken as a sport throughout the year, and polo in the Fall and Spring terms. The rate for riding is \$2 for the first hour and \$1 for each additional hour, but there are greatly reduced rates for those taking it for a term, or for those who wish to buy tickets. The stables are on Salem Street.

Golf

During the spring term golf may be taken as a sport. The squad is of necessity limited to 24 men, which includes the varsity and club teams. The course is located in Shawsheen Village. Arrangements for transportation at a moderate cost to each man are made with the Morrissey Taxi Co. All men not on the squad must secure out-of-town excuses in order to go to Shaw-

sheen or North Andover Country Clubs. The fee for each member of the squad is \$25 for the term.

Managership Competitions

Any student who has been in school at least one year may, at the beginning of his Upper Middle year, hand in his name to the Undergraduate Treasurer in competition for the managership of a varsity sport.

These names, when approved by the Faculty and Advisory Board, are voted on by the old men. The fourteen highest choose, according to the number of votes they secure, the sport of which they wish to be assistant manager. Thus there are three assistant managers for football and baseball, and two for hockey, basketball, track, and swimming. At the end of the season the assistant managers are voted on by their respective squads, the winner becoming manager the following year. In football and baseball preliminary votes are taken, electing two; then one of these is elected.

Special Managerships

As the Varsity sports of soccer, wrestling, tennis, fencing, lacrosse, and golf require no assistant managers, the

managers of these five sports are elected directly from the student body. Candidates are self-nominated and are called for by the Undergraduate Treasurer. Wrestling, fencing, tennis, and lacrosse managers are elected from the Senior class at the beginning of each year. The soccer manager is elected during the Spring term of a man's Upper Middle year.

ORGANIZATIONS

Senior Council

The Senior Council is composed of seven Seniors. Three of these are chosen in the spring term of their Upper Middle year by the retiring Council. The remaining four are elected in the fall by the Senior class. The headmaster acts as its supervisor. It is a body in which questions of common interest to the Faculty and the student body may be freely discussed.

The Society of Inquiry

The Society of Inquiry extends a hearty welcome to the new students of Phillips Academy. Each fall the Society holds a reception in the gymnasium with the aim of acquainting each new man with the old men in

school as well as with the traditions of the Academy.

The Society of Inquiry aims to stimulate proper ideals and conduct, and to interest students in wholesome living. It is based on a spirit of good fellowship and is maintained in liberality and freedom, from which strained formality is entirely lacking.

It widens the student's outlook on life and creates widespread interest by the delegations of student speakers which it sends to other schools, and by those which it in turn receives. Each fall a complete canvass of the students is made for a fund which will sustain these trips and receptions and care for the various charities and entertainment during the subsequent year. The students generously support the budget of the society.

The Society of Inquiry is not merely open to all students free of charge, but it invites each one to take a part in its every activity. It is under capable student leaders who are assisted by an executive board of eight and by a faculty adviser, Mr. Trowbridge.

Philo

The Philomathean Society is the debating organization of the school. Dur-

ing the Winter term a series of debates is held, open to all members of the school. Since each team is composed of three men, and debates once, an opportunity is given in this way for many men to compete. In the Spring term a prize debate is held for the thirty-dollar Robinson Prize. This debate is always of a very high standard and arouses much interest throughout the school. Through the medium of Philo much valuable training in speaking and debating is gained.

The Open Door Committee

The Open Door Committee consists of nine members of the Senior class. In the spring term two members of the Upper Middle class are chosen by the retiring committee. These two form the nucleus for the next year, and with the advice of the Senior Council, elect the rest of the committee.

The work of this committee, although not very much in evidence, is of the greatest importance in the school life of Andover. It serves as a committee of hospitality. The committee corresponds with the visiting athletic teams and arranges for their meeting in Andover, transportation to the gymnasium, and such entertainment as is necessary.

THE PUBLICATIONS

There are four publications in the school. Competitions are open in some cases to all members of the school, in others to members of designated classes. A very few are limited to old men. The experience gained in these competitions, whether the candidate is successful or not, is worth the effort, and the prestige of executive positions on the boards is well worth trying for. Elections in all cases depend somewhat on merit, and, in most cases, solely on merit. A few elections are held by the school.

All elections to the publication boards and entrance in most of the competitions require the consent of the Faculty. A satisfactory grade must be maintained for a student to take part in publication activities.

The Phillipian

The Phillipian, established in 1878, is the official newspaper of the Academy and is published every Wednesday and Saturday of the school year.

Its staff is divided into two boards: the editorial board, which takes charge of the purely editorial phase of the publication, and the business board, which has charge of subscriptions, cir-

culatation, and advertisements. Positions on either board are obtained by competition. The work done in the competition for the editorial board is reporting, together with certain assigned tasks. The type of work in the business competitions is that of obtaining advertisements and subscriptions, and taking charge of the mailing lists. The editorial competitions last for one term each, any number of men up to six being elected each term. There are two business competitions during the year, in which usually not more than three men are elected. The first competition which a new man may enter is the business competition, which begins early in the fall term, while the first editorial competition open to new men begins during the winter term.

The Phillipian offers excellent opportunities for men who are proficient either in business or in writing, and broadens the scope of one's school life in the many contacts formed while in competition. Many undergraduates who are not especially proficient in athletics find it a very satisfactory sort of activity. Editor-in-Chief (1931-32), G. A. Hill, '32; Business Manager, William E. Keeney, '32.

The Pot-Pourri

The *Pot-Pourri* is the academy annual, published towards the end of each Spring term by members of the graduating class. It contains pictures of all Seniors and Non-Returning Middlers and group pictures of all school organizations. There are also summaries of the year's activity in each line of endeavor. An interesting feature is the statistics compiled from votes taken by the Senior class concerning its estimation of members of the class, members of the Faculty, and various other officers.

The Mirror

The Mirror, one of the oldest school publications, was recently revived after a few years of inactivity. Devoted entirely to literary articles, it comes out three times during the year. Contributions are encouraged, and those whose works have most frequently appeared are eligible to the literary and art boards. The business board consists of the heelers who have secured the greatest number of advertisements. Competition is open to the entire student body.

The Blue Book

The Blue Book was founded in the winter of 1921.

Its business board is perpetuated by a competition open only to Juniors and Lower Middlers. The winner of the competition is elected Business Manager for the following year.

The editorial board is open for competition only to Upper Middlers.

CLUBS

The Dramatic Club

During recent years two three-act plays have been given annually by the Dramatic Club, one during the winter term and one at Commencement time. The tryouts for places in the regular casts are open to all members of the school. The old men of the Club have the first opportunity to try out for certain parts, but the leading roles are given to those candidates, new or old, who show the greatest talent. There are, besides the actors, departments for advertising, stage managing, stage designing, and business management.

Combined Musical Clubs

Under the heading "Combined Musical Clubs" are included the Glee

Club, Choir, and Orchestra. A particular impetus to the clubs is the annual concert with Exeter, which takes place about the beginning of the Spring term. Trips are also made to Bradford Academy and Rogers Hall.

The Glee Club and Choir are under the direction of Dr. Carl F. Pfatteicher. Individual tryouts are held early in the Fall term. Rehearsals are held twice a week, the first and second tenors rehearsing on Monday evenings, the first and second basses on Thursday evenings, and the full choir on Friday evenings, all at seven o'clock. As compensation members of the choir may receive either one chapel cut or one athletic cut a week, or 50 cents a week, or they may count this activity as one hour on their scholastic schedule. The Glee Club is composed of members of the choir.

The Orchestra is also directed by Dr. Pfatteicher. It is made up of all the available orchestral instruments. Rehearsals are held once a week.

The student officers consist of a President, a Vice-President, a Secretary, and a Treasurer. Mr. Guy H. Eaton is Faculty Treasurer and adviser.

The Band

Through the interest of several members of the Musical Clubs and the co-operation of Mr. Young, the band was organized in the fall of 1930. By means of contributions from the student body and the Board of Trustees, instruments were secured, and practice was begun under the leadership of Mr. Ives of Boston. During the year the band played at the Exeter games and celebrations and gave a number of short concerts in the Meeting Room.

The yearly dues are two dollars. An additional deposit of the same amount is made by each member at the beginning of the year, from which fifty cents is taken for each rehearsal missed by that member. The annual election of officers is held in May. The officers for 1931-32 are: R. H. Cory, manager; R. R. Covell, assistant manager; J. Kleinhans, secretary-treasurer; and D. C. Jenney, librarian.

Instrumental Music

Students wishing instruction in organ playing or piano playing may confer with Dr. Pfatteicher after chapel services.

Mr. Baker will be at the Archaeology

Building on Monday, Thursday, and Friday, to give instruction in guitar, mandolin, and banjo playing.

The Sketch Club

The Sketch Club was organized in 1929, and is open to anyone in the school. Under the direction of Mr. Trowbridge, work on simple still life and portraits has been done in charcoal, pastel, and linoleum cutting. This year water color and oils will also be employed. Meetings will be held on half holidays in the basement of the new Art Gallery from 1 to 3 p. m. It is hoped that an instructor may be secured to take charge of these meetings. Anyone interested is urged to take advantage of the opportunities offered.

The Peabody Club

The Peabody Club is composed of all those who pay the fee, which last year was seventy-five cents. This entitles them to the smoking privilege of the lower floor and to the use of all the newspapers and periodicals, which include some of the leading college publications. There are also card tables and a radio for the use of the members. The club is allowed two

late meetings a month, that is, the permission to remain open until eleven o'clock two Saturdays each month throughout the year. A student committee is elected at the beginning of each year. The club-room, in charge of Mr. Coleman, is open the following hours: 8:30-1, 2:30-5, 6-8, (Sun.); 1:30-4, 6-8, (Mon., Tues., Thur., Fri.); 1:30-5, 6:30-8, (Wed.); 1:30-5, 6-8, (Sat.).

The Chess Club

Anyone interested in chess is urged to join the Chess Club. Each week during the winter term, matches are played between the members and the different phases of the game are discussed. At the end of the term, the men who hold the first five places in the winter's competition play a team from Exeter.

Toc H

Toc H is dedicated to the world-wide task of making war less likely through working for a sincere attitude of goodwill towards men. It was organized during the Great War, and since then it has grown steadily all over the world. The Andover Chapter was founded in 1929. Among its activities

are included community work with the Boy Scouts and the Andover Guild, helping needy families in the town and its vicinity, and a great many other services in the town and in the school. Members of the student body are invited to the meetings of Toc H, which are held every two weeks. New members are initiated when they have manifested their interest in the organization.

Nature Club

Students interested in biological or any outdoor studies have an opportunity to follow their bent through the Nature Club. This organization wishes to forward an interest in Nature through the medium of talks given at the weekly meetings by members and outside authorities, and by its frequent field trips. Those who are interested should consult E. Folk, G. Boericke, or Mr. Shields.

The Radio Club

The Radio Club, ISW, is an organization devoted entirely to amateur experimental transmission, and the bringing together of all licensed operators in school. The activities of the club are directed solely towards research and

experiments on the short waves. Regular communication is maintained with all European countries, and frequently contact is made with Australia. Recently signals have been exchanged with Arctic expeditions, both at the North and South Poles. Those who wish to join, whether licensed or not, should see the president, W. H. Wilson, '32.

Secret Societies

There are eight societies in the Academy, listed here in alphabetical order:

A G C	K O A
A U V	P A E
E D P	P B X
F L D	P L S

During the first six weeks of the fall term no new man may have any relation or agreement whatsoever with any society. No new man on the football squad may have any relation or agreement with any society until the week following the Exeter game. A "hold-off" is an agreement between a society and a prospective candidate, lasting two weeks. During this time the rushee may have no relationship with any other society. At the end of that time the man is free to accept any

other hold-off or pledge. No resident of Williams Hall may be considered by any society until the fall term of his Lower Middle year.

The "closed" houses, A G C, A U V, and K O A, are closed to everyone except members and people over preparatory school age. The other five houses, E D P, F L D, P A E, P B X, and P L S, are open to everyone. It must be strictly understood that this applies only upon the invitation of a member of one of the societies mentioned.

Proms

There are two Proms during the school year, one in February and the other in June. The February Prom is the Senior Prom, run by a committee elected by the class. It is customary to give either a tea dance in the Peabody House on the afternoon of the Prom, or a breakfast dance on the morning following. In June, a committee of Upper Middlers runs the Junior Prom. This is held Commencement night.

Encouraged by a rapidly increasing interest during the past few years, it has become the custom of the Student Council to run two or three Saturday afternoon tea dances each term.

The Log Cabin

Uncle Tom's Cabin, built in 1931, is primarily intended for the use of the students. It is situated in the northeast corner of the Bird Sanctuary. Light refreshments and waffles may be obtained, and smoking is allowed inside the cabin itself. It is open from two to seven-thirty every day:

The Grill

In the Grill one may obtain food between the hours of 8:00 and 9:30 a. m., 12:30 and 1:30 p. m., and 6:00 to 7:00 p. m., on week days. The soda fountain is open from 8:00 to 9:30 a. m., from 11:30 a. m. to 4:00 p. m., and from 6:00 to 8:00 p. m.

ART GALLERY

The Addison Memorial Gallery of Art was given in order that the students of Phillips Academy might become well acquainted with the work of the greater American artists, both past and contemporary. The gallery contains a great many very fine examples of their work, which remain in the permanent possession of the Academy, while there are also a number of loan exhibitions from private

collections and the larger galleries in New York and Boston.

In the basement of the building there are several models of the school property and proposed developments on the campus. Here are also the headquarters and studio of the Sketch Club, containing a remarkable exhibition of paintings, sculpture, and drawings done by students.

THE LIBRARY

The Oliver Wendell Holmes Library contains about thirty thousand volumes, and additions are being made continually. A large number of periodicals, including New York and Boston newspapers, are received regularly, and many are bound for reference purposes. The atmosphere of the Library is especially conducive to study. Those who study there after eight o'clock in the evening must report at the desk on entering and leaving.

There are reference books on every type of work covered in the Academy: history, literature, the classics, science, and art; while there is a wide variety of fiction and biography. The sports library contains books dealing with every branch of athletics and outdoor sport. The loan library is for the use

of scholarship boys, who may borrow text books, to be returned at the end of the course for which they are required.

The librarian and her assistants are always ready to help any student find the book for which he is looking or the material which he is seeking.

Library Hours

Every day except Saturday and Sunday from 8:00 a. m. to 9:45 p. m.
Saturday from 8:00 a. m. to 8:00 p. m.
Sunday from 2:00 to 9:45 p. m.

ACADEMY CHURCH

The Church of Christ in Phillips Academy is undenominational, having for its membership the Faculty families and the students. Those who are church members at home may become temporary members, while others are merely asked to make a sincere "declaration of Christian purpose." There are ten deacons: four from the Faculty, four Seniors, and two Upper Middlers. Five communion services are held during the year, at which times new members may be received. Mr. J. L. Phillips is the Clerk of the Church.

SCHOOL SONGS AND CHEERS

Old P. A.

We're here with the team once again,
 boys,
Five hundred strong—
To cheer them on.
We'll hand out old Andover's name,
 boys,
Across the field
And never yield;
There's no hope today for poor Exeter,
For they are true,
Those boys in blue;
Andover'll land!
She's got the sand!
Give a cheer for old P. A.
 (Rah-Rah-Rah)

Fighting for old P. A., boys,
Fighting with heart and soul,
Tearing our way on to victory,
Nearing the crimson goal.
See how poor Exeter trembles!
Andover wins today.
Stand by the blue;
We're always true,
To you and old P. A.

Andover Rah

It's the same old Andover,
We are here to win today!
See poor Ex'ter fly to cover,
When the Blue gets in the fray.
First down, Oh, this is easy,
That goal is just before;
Smash them through, and make a
touchdown,
For this is where we score.

Oh, the boys from New Hampshire,
Will learn a thing or two,
When they meet with Captain Davis
And the team that wears the Blue;
Now the Ex'ter stands are silent,
And the crimson banners fall,
While the blue sweeps on to vict'ry,
Let us cheer them one and all.

All hail to old Andover,
Victory crowned on many a field;
Our crimson foemen tremble,
And before the blue must yield;
On our feet, now all together,
Give a cheer for Andover
(Rah! Rah! Rah!)
Lift your voices on high,
Let your cheers rend the sky.
For old Andover wins today.

Royal Blue

Andover's legions her ancient foe defy,
Over the hilltop a war song is ringing.
Shoulder to shoulder we back the
fighting crew,
Hail to the Royal Blue!

(Refrain)

Let's go! The team is on the way,
Over the field there's a blue wave roll-
ing.

That broken line of Red and Gray
Once more we're backward bowling.
Send our battle cry afar
As the Andover charge goes through,
And cheer for the glorious standard
Victorious Royal Blue.

PH-IL-LI-PS,
Andover, Andover,
Onward to the goal.

(Repeat refrain) Let's go, etc.

THE suit you wear suggests the correct shoes. Dark suit—dark shoes. Light suit—light shoes. That's a safe rule. Dark or light, another safe rule is to wear Bostonians. Correct styles, good leathers, variety of lasts, modest prices. \$7 to \$10 the pair mostly.

OLIVER WENDELL HOLMES
LIBRARY

RULES AND PRIVILEGES

1. All books, except those in the Reference and Freeman Rooms, and magazines, both current and bound, are for circulation and may be borrowed for two weeks. Books in demand may be kept for seven days only and may not be renewed.

2. Books, other than seven day books, may be renewed if they are brought in for renewal before they are overdue and if there is no request for them.

3. There will be a charge of two cents a day for books not returned on time. Fines are to be paid at the time that the book is returned.

4. The privilege of taking books from the library may be suspended if overdue books are not returned after the student has received due notice and also if his fine is not paid promptly.

5. In order that the students may have a longer time in which to use the books on reserve in the Reference Room they are allowed to take them out at 9:30 p.m. and return them at eight the next morning. These reserve books are in constant demand and must be returned on time. If a student should fail to do so he will be charged

twenty-five cents for the first hour, or fraction thereof, and five cents for each additional hour until the book is returned. A demerit will be given for a second offence and the privilege of taking out books overnight will be withdrawn for the remainder of the term.

6. If a student wishes help in finding a book he may consult the catalogue and write the author, title and call number on a slip of paper provided for that purpose and present it to the person at the desk.

7. When students come to the library they are required to observe the same rules in regard to dress which they follow when they attend classes; that is coats and ties must be worn. On Wednesday *afternoon* and on Saturday, from noon until time for the moving pictures, sweaters may be worn.

8. Overshoes and raincoats are to be left in the coatroom, not taken into the Reference or Freeman Rooms.

9. Except in the coat room there is no place for the students to keep their text books nor can the library provide any place where the students may study together. The Reference Room is for quiet study and for re-

seach; there must be no unnecessary conversation. The Freeman Room is a reading room and, as the seating capacity is limited, it must not be used as a study room. The reasonableness of these rules will be apparent to the majority of the student body. Those who do not observe them will be deprived of the privilege of using the library.

10. The first two floors of the stacks will be kept open to the students as long as the privilege is not abused. After eight o'clock in the evening they are requested to ask permission at the desk to go to the stacks. When using books in the stacks the students should not return them to the shelves but leave them on the tables in the stacks.

11. Only one book at a time may be taken out from the bookcase where the new books are shelved. The students are asked not to have more than two books of fiction out at once as the collection of fiction is limited.

12. At 9:40 in the evening a bell will be rung. At this time the students must finish their work and prepare to leave the library, which closes at a quarter of ten.
